IRPC Public Company Limited

FDA Certificate for

3342R

On behalf of IRPC Public Company Limited, we hereby certify that Polypropylene Random Copolymer Grade POLENE 3342R complies with the United State 21 CFR Food and Drug Administration (FDA) Regulation part 177.1520 which allows the polymer to be used in food contact applications.

The scope of this statement is within the details of the abovementioned regulation only, and does not cover the modification, processing, and conversion of the finished product. It is the responsibility of the converter / user of the product to determine and appropriate the regulatory suitability for food contact compliance.

This information is valid until December 31, 2010

Certified by :

A handwritten signature in black ink, appearing to read 'Paisarn Gittisupab', is written over a light blue horizontal line.
