CERTIFICATION

Food Contact Declaration of EU No.10/2011

This is to certify that monomers and additives used for the production of the YUNGSOX polypropylene are in accordance with the requirements of Commission Regulation (EU) No. 10/2011 of 14 January 2011 and it's amendment 321/2011 (01/04/2011),1282/2011(28/11/2011),1183/2012(30/11/2012),202/2014(3/3/2014), 865/2014 (8/8/2014) ,2015/174 (5/2/2015) ,2016/1416 (25/8/2016) document.

There are no restrictions (SML; QMA) specified by the above regulations for the components (monomers /additives) of these polypropylene resins.

This grade also meets the relevant requirements of Regulation (EC)1935/2004.

Dual use additives subject to restrictions in food as defined in (EU) No 10/2011 are not intentionally used in the production and formulation of these products.
