1. Composition of *Moplen* HP602N

Ingredients	Ratio (wt %)
Polypropylene homopolymer	> 99
Additives	< 1

We hope above information is sufficient. Because of possible changes in the law and in the regulations, we recommend that customers continuing to use our products verify status every year from this date.

We cannot anticipate all conditions under which this information and our products or the products of other manufacturers in combination with our products may be used. We accept no responsibility for the results obtained by the application of this information or the safety and suitability of our products alone or in combination with other products.

Before using a PMC product, customers and other users should make their own independent determination that the product is suitable for the intended use. They should also ensure that they can use the PMC product safely and legally. This document does not constitute a warranty, express or implied, including a warranty of merchantability or fitness for a particular purpose. No one is authorized to make such warranties or assume any liabilities on behalf of PMC except in writing signed by an authorized PMC employee. Unless otherwise agreed in writing, the exclusive remedy for all claims is replacement of the product or refund of the purchase price at PMC option, and in no event shall PMC be liable for special, consequential, incidental, punitive, or exemplary damages.
